Dreamlance Marketplace

connecting people to trusted local services

Project Overview

DreamLance Marketplace is a mobile platform designed to connect users with trusted local service providers from hairdressers and cleaners to photographers, caterers, and decorators.
The platform simplifies how people discover, evaluate, and book services through a fast, modern, and reliable digital experience.

The Problem

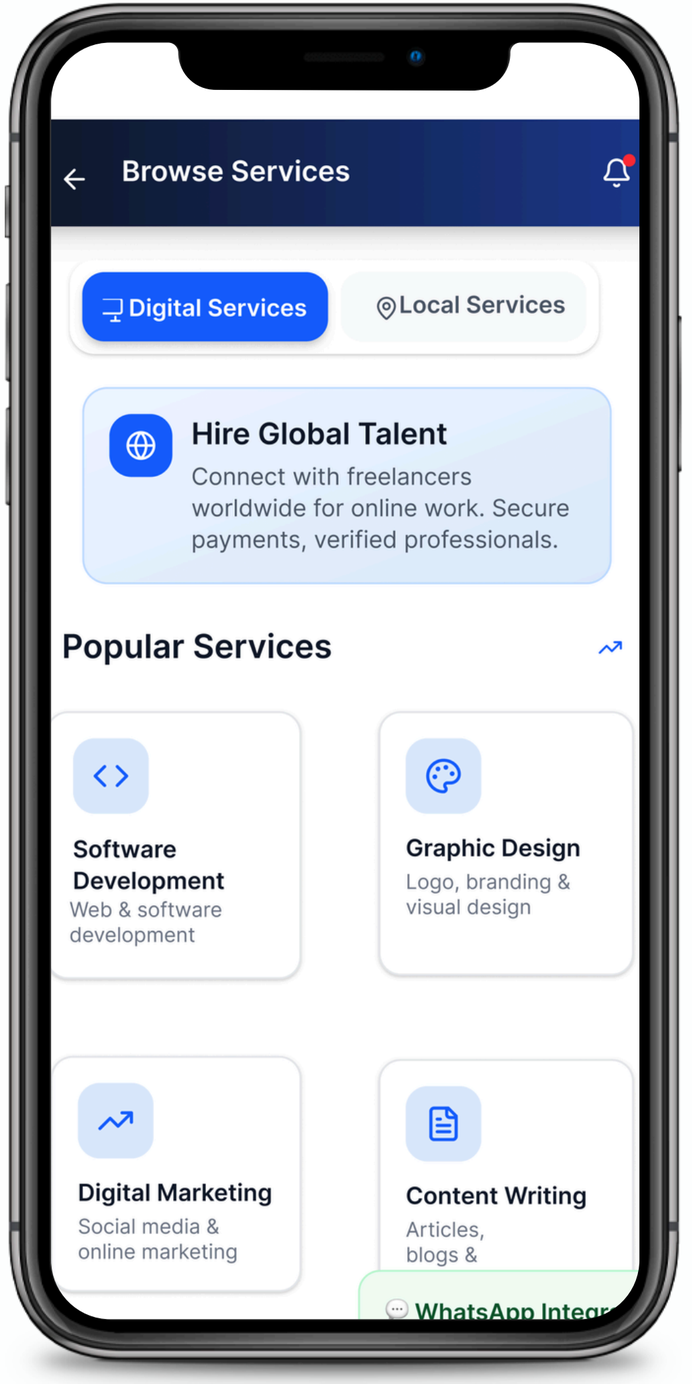

FINDING RELIABLE SERVICE PROVIDERS IS DIFFICULT.

- LACK OF TRUST BETWEEN CLIENTS AND WORKERS
- TOO MANY UNVERIFIED PROVIDERS
- NO CLEAR PRICING OR QUALITY STANDARDS
- SLOW COMMUNICATION AND RESPONSE TIMES
- FREELANCERS STRUGGLE TO FIND CONSISTENT JOBS

Solutions

DREAMLANCE SOLVES THESE PROBLEMS BY OFFERING:

- VERIFIED SERVICE PROVIDERS
- TRANSPARENT RATINGS AND REVIEWS
- EASY SEARCH AND CATEGORY BROWSING
- SECURE BOOKING SYSTEM
- DIRECT CHAT BETWEEN CLIENTS AND PROVIDERS

Target Audience

Customers:

- Individuals needing home or event services
- Busy professionals
- Families and event planners

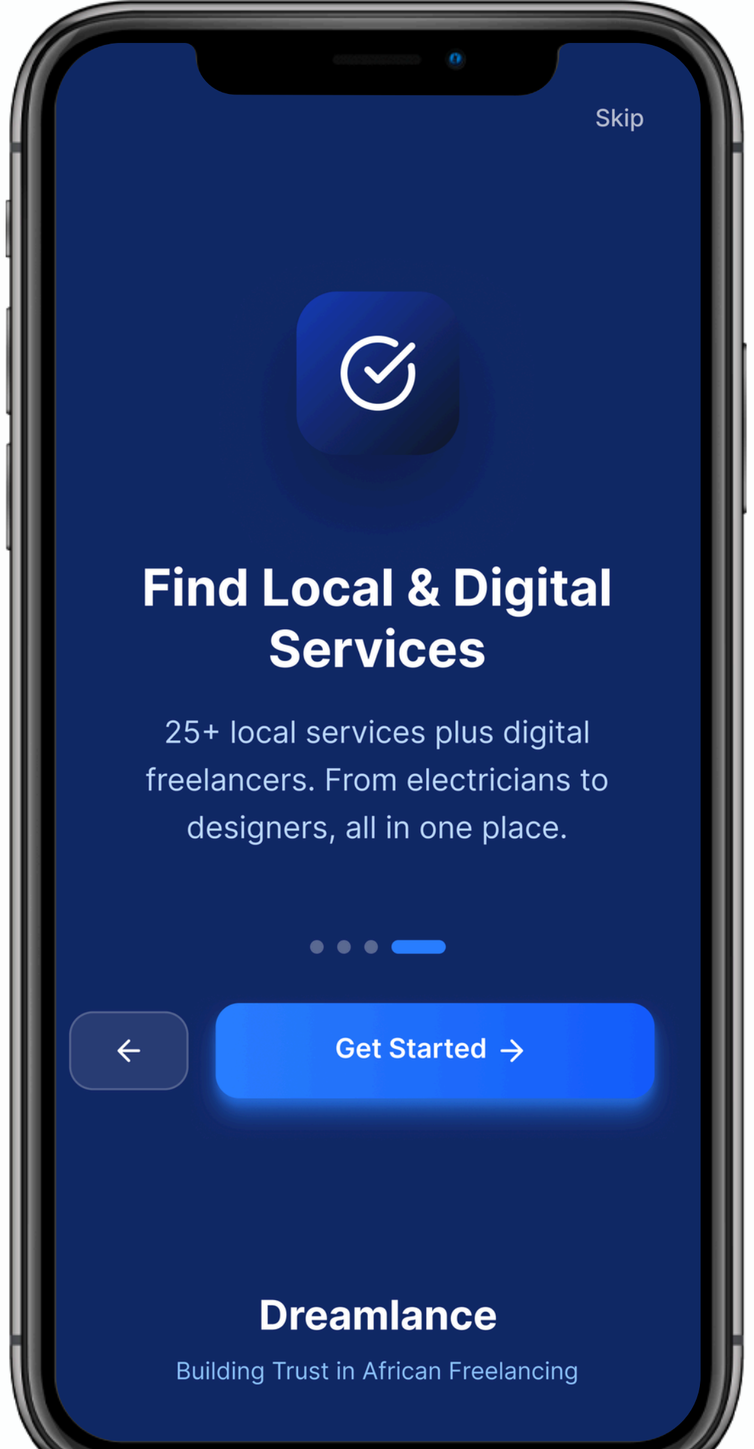

Service Providers:

- Freelancers (photographers, cooks, decorators)
- Skilled workers (electricians, cleaners, builders)
- Small local businesses

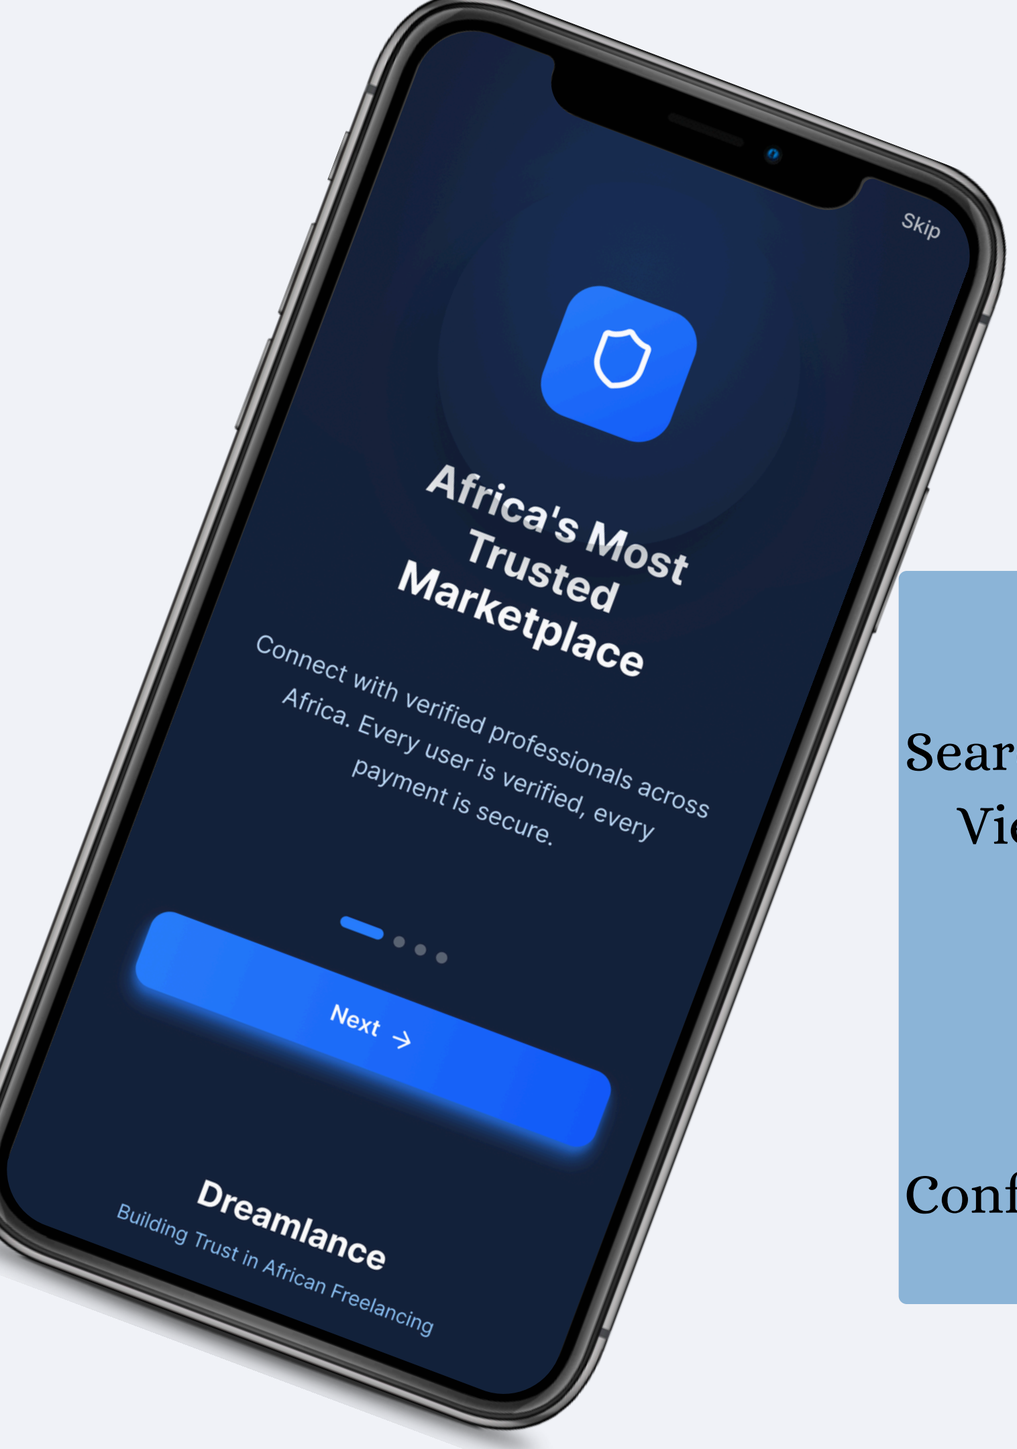

Business Model

DreamLance generates revenue through:
Commission on completed bookings (e.g.,10%)
Featured listings for service providers
Premium subscriptions for freelancers
In-app promotions and visibility boosts

HOW IT WORKS

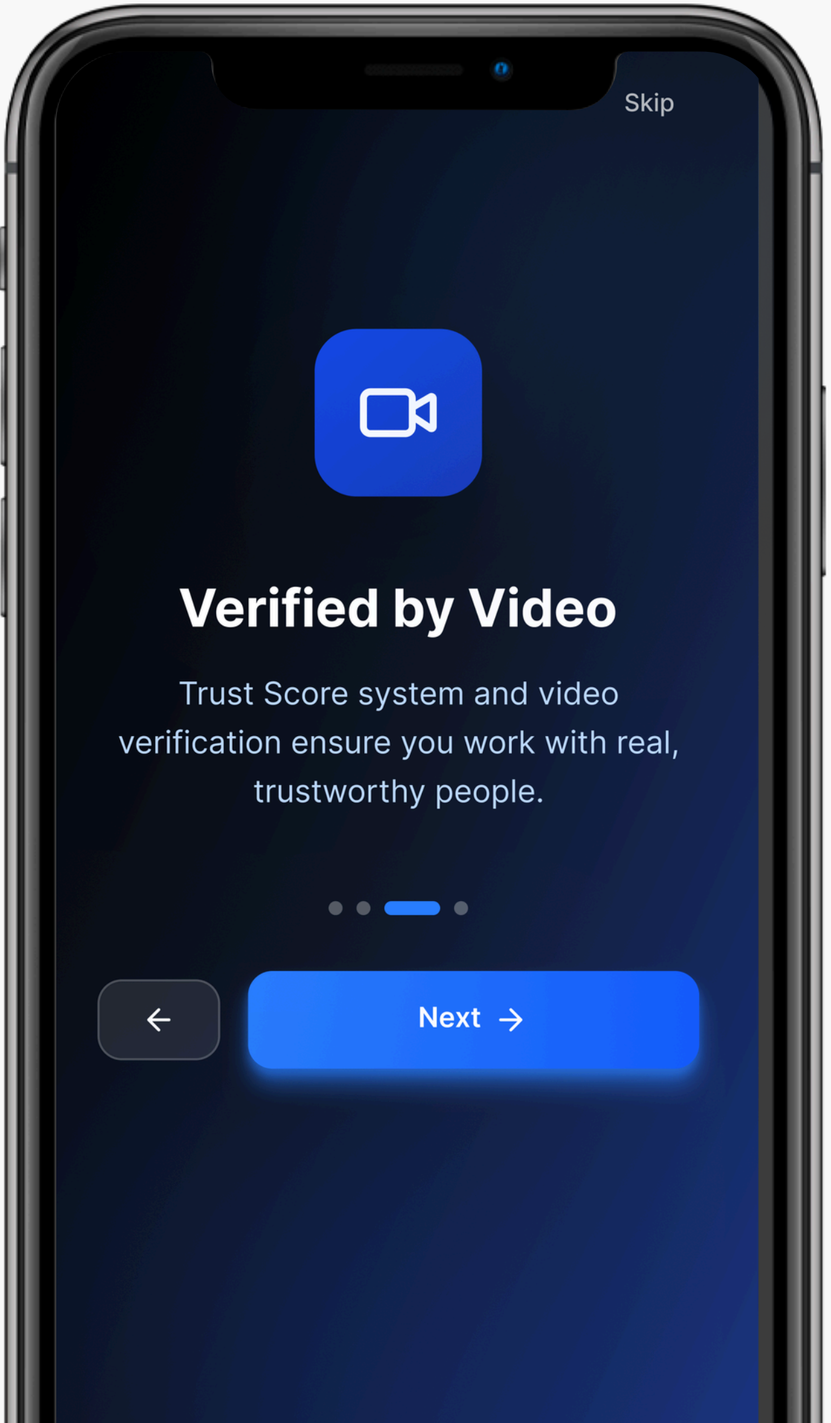

For Clients

Open the app
Search or browse categories
View providers (ratings, portfolio, pricing)
Select a provider
Book a service
Chat instantly
Confirm and receive service

For Service Providers

Create a profile
Add services, pricing, and portfolio
Get discovered by clients
Receive booking requests
Chat and confirm jobs
Deliver service and earn
